

RSVP  
Before July 22nd!

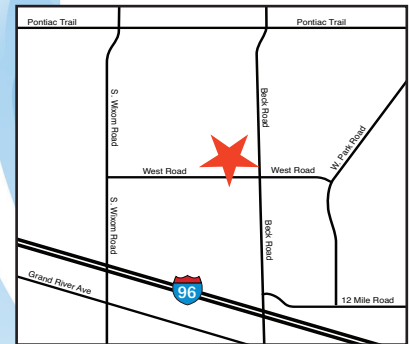

# OPEN HOUSE

Come and meet John and Eddie as they show you all of the latest and greatest tools from Ettore!

**Where:** Detroit Sponge,  
48050 West Rd, Wixom, MI 48393

**When:** July 24th

**Time:** 10am – 3pm  
Lunch 12pm – 1pm  
Water pole demos at 11am – 2pm

- Ettore makes the products that you know and love for doing your job. Join us at our facility on **July 24th** to see all of the latest tools from Ettore.
- **Special demo day prices on all Ettore items** that are too low to be published in print. These prices will only be good for the day of the demo and you have to be present to see all of the savings.
- **Check out the full line of Ettore water fed poles and units.** We will have them all there for you to see. Eddie Holder, product specialist from Ettore will be here all the way from Texas to offer expertise, pointers, and technique tips.

**BONUS** --- *Limited one on one sessions are available for you and your crew for water pole Tips and Techniques with Eddie. Limited opportunity, so RSVP for one of these select spots right away!*

- **There will be food!** Call and let us know if you are coming to make sure we do not run out. **PLEASE CALL US** and let us **KNOW** how many of your crew will be coming with you!! That will help us to make sure this event is a success for you!
- **Yep, we did say special pricing and savings** on Ettore products the day of the demo. Savings like 18 inch gross's of rubber for ?????? **You gotta come to find out!**

Hourly Door  
Prizes!

Free  
Food!
